

1 July 2022

LETTER OF ACCEPTANCE

Dear Mr. HAN YANG,

Congratulations! We write to inform you that your application for the **Artificial Intelligence Internship Programme** in NTU Business AI Lab has been accepted. This programme will last from 23 July to 28 August 2022.

The programme aims to cultivate students with great command of cutting-edge studies in AI industry, by a series of online workshops and projects. During the programme, you will have the opportunity to learn from remarkable academics and researchers in Nanyang Technological University, broaden your mind and get well prepared for future studies or career development. We firmly believe you will benefit from this internship experience.

We look forward to welcoming you to the programme.

Yours sincerely,

Dr. Teoh Teik Toe
